Messages of Hope

We're calling on you to send messages filled with gratitude and encouragement to our Banner teams.

Banner team members are working hard on the frontlines to keep their community and patients safe. You're invited to say thank you for their commitment and convey a message of hope by participating in the Messages of Hope - Letters of Gratitude campaign.

Instructions

Cards with no image are intended for you to unleash your inner artist. You, your little one or members of the community can draw or paint a picture expressing a positive message of gratitude and hope.

- Download PDF to your computer
- Print the document (if desired, you may type a message of encouragement before the document is printed)
- Create your artwork in the space provided, and include a handwritten note if you chose not to type your message
- Mail to WMC Messages of Hope | 1233 E. Second St. | Casper, WY 82601
- Or you can choose to photocopy and scan your card. Then, email your personalized card to hope@wyomingmedicalcenter.org

Thank you for supporting our frontline team members

For facility handlers:

- Please print the cards you receive
- Fold each along the dotted line, and remove the instructions panel
- Hang cards with the others on the display installation at your facility
